

3 steps to changing preferences in Apollo

Step 1:

Log into Apollo and click 'My Details' on the left-hand side.

Step 2:

Select the 'e-App Defaults' tab along the top of the page.

Step 3:

Update your preferences.

The electronic application (e-App) system allows you to complete and submit the application form online.

Please select your e-App defaults:

Where a policy comprises more than one life, do you wish the policy to be issued on acceptance of any one life? Yes No

To speed up the acceptance of the application, if we need further information can Fidelity Life contact your client directly? Yes No

If you do not intend on using the e-App functionality, simply select No to both as these can be changed at a later date.
